Minutes:

TOM MCGOWAN, Las Vegas resident, cautioned that there are seven members on the City Council, and it is imperative that they all speak their mind and vote their conscience. This means that all members have the responsibility to consider every matter before the board, whether or not it involves his/her ward. He noted that there are a lot of things going on that make Las Vegas the worst place to live: mental illness, overcrowded prisons, children not being taken care of, etc. He commended COUNCILWOMAN TARKANIAN for voting her conscience.
