PLANNING DEPARTMENT
CITY OF LAS VEGAS
731 S. 4th Street
Las Vegas, NV, 89101

Ref: SUP 11589, (Justification letter for a review of condition)

Dear Sir

The condition item ^{16ⁿ}~~10~~ for SUP 11589 states that “the applicant shall bring a signage plan for the building to the planning commission for review and approval.”

But submitting another master sign plan is not required for this project as there has been already a master sign plan for the entire shopping center, including our building, still in force, of which the city had approved.

Thanks.

Hyunja Kang
