COUNCILMAN BROWN recognized PAUL F. JONES as Citizen of the Month for July 2007. MR. JONES was accompanied by his parents, BARRY and LORRAINE. COUNCILMAN BROWN indicated that he chose MR. JONES for constantly looking for ways to give back to the community, including raising money to buy toys for children in hospitals. For all the wonderful things MR. JONES does, COUNCILMAN BROWN presented him with a few gifts. One of the gifts was a baseball signed by the Councilmembers because Mr. JONES has a large collection of baseball cards.

MR. JONES thanked the Councilmembers for this honor, for which he felt undeserving, as well as his parents for believing in him. He read a statement where he unveiled his desire to be included in the Guinness Book of World Records for his large collection of baseball cards. MAYOR GOODMAN assured MR. JONES that he would contact Guinness on his behalf.

MR. JONES' father said that his son has a reading disability, for which he is required to read a lot. After not being able to find a book he was looking for at the library, his son collected aluminum cans and raised over \$300 for the library to purchase needed books. MR. JONES presented a check in the amount of \$500 to the Mayor.
