Re: Alcoholic Beverage – Tavern – Appeal of Suspension  
Nevada Receivership, LLC  
dba Crazy Horse Too  
2476 Industrial Road

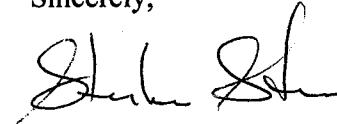

Dear Jim,

Please consider this letter as a withdraw of the appeal of the suspension of the alcohol license referred to above.

As I informed you at our meeting on June 30<sup>th</sup>, certain conditions precedent would have to occur before we could appeal the suspension. The first condition has not occurred, therefore the appeal is moot.

Thank you for your time and consideration in this matter and I apologize for any inconvenience caused.

Sincerely,

STEPHEN STEIN, ESQ.
