Home Occupation Permit Application

Applicant must initial all conditions below and sign the application. If the applicant is not the property owner, the property owner must sign the application where indicated or otherwise give written permission for this use of the property. The Planning Director must be satisfied that the proposed home occupation will comply with the following standards.

1. md Only the occupants of the dwelling unit shall be engaged in the business activity approved for the Home Occupation Permit.
2. md No employees shall report to work or be dispatched from the property.
3. There shall be no transacting of business or offers to transact business with customers or clients who have come to the property.
4. md There shall be no signage or other advertising of any kind, whether on the property or elsewhere, which advertises the address or physical location of the property or identifies the existence of a Home Occupation on the property. A home telephone number or a private mail box may be advertised by any medium other than on-site language.
5. md No motor vehicle repair, paint or body work, commercial preparation of food for service on the premises, business related to or involving explosives, ammunitions or weapons, beauty parlor or barber shop, or ambulance or related emergency services shall be permitted as Home Occupation.
6. md A Home Occupation shall not create pedestrian, automobile or truck traffic in excess of the normal amount associated with residential uses in the district.
7. md A Home Occupation business shall be conducted exclusively within the main dwelling or within an accessory structure which has been approved for the Home Occupation Permit, except for horticultural activities.
8. md The number of on-site parking spaces shall not be reduced to less than two.

9. md No Home Occupation business shall create or cause noise, dust, light, vibration, gas, fumes, toxic or hazardous materials, smoke, glare, electrical interference or other hazards or nuisances either on or off the premises.
10. md There shall be no electrical or mechanical equipment which is not normally found in a residential structure and no equipment found on the premises shall cause a change in the fire safety or occupancy classification of the dwelling unit.
11. md There shall be no outdoor storage or use of any toxic chemicals or hazardous materials of any type or in any amount not normally found in a residential structure.
12. md No more than one vehicle with a maximum capacity of one ton shall be used in connection with a Home Occupation Permit.
