PURPOSE/BACKGROUND:

Currently, the only alcohol-related use permitted in the C-V Zoning District is a tavern, which is permitted only by means of special use permit and only when the parcel or use is operated or controlled by a government agency. No provision is made in that district for alcohol-related uses that are more restrictive and of lesser impact. This bill will allow supper clubs, restaurant service bars, banquet facilities and other uses of similar impact in the C-V District, subject to the same approval process and limitations applicable to a tavern.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
