RE: Waiver in Street Termination  
APN #'s 138-08-202-002, 003, 004

Dear Sir/Madam,

Ace Engineering is requesting a Waiver in Street Termination for above referred parcels.

This request is a part of the revisions in TMP-8349

Hammerheads are being provided as per the site conditions and the streets shall be privately maintained under CC&R. Adequate number of fire hydrants are being proposed and all residences will be fire sprinkled.

If you have any questions, or require additional information, please feel free to contact me at 396-5113.

Thank you.

Sincerely,  
ACE Engineering
