PURPOSE/BACKGROUND:

Currently, the only alcohol-related use permitted in the C-V Zoning District is a tavern, which is permitted only by means of special use permit and only when the parcel or use is operated or controlled by a government agency. No provision is made in that district for alcohol-related uses that are more restrictive and of lesser impact. This bill will allow supper clubs, restaurant service bars, banquet facilities and other uses of similar impact in the C-V District, subject to the same approval process and limitations applicable to a tavern.

RECOMMENDATION:

ABEYANCE to 8/14/2007 Recommending Committee meeting pursuant to the 7/31/2007 Recommending Committee.
