PURPOSE/BACKGROUND:

In 2000 the City Council adopted the Las Vegas 2020 Master Plan. That adoption incorporated the existing provisions of the 1992 General Plan relating to historic properties preservation. Since that time, the Planning and Development Department has updated those provisions, and the update has been approved by the Planning Commission and by the City Council under the General Plan Amendment process. This bill formalizes the adoption of the revised provisions and incorporates them into the Las Vegas 2020 Master Plan.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
