**PURPOSE/BACKGROUND:**

This bill proposes an annual seven dollar surcharge per equivalent residential unit (ERU) in addition to the annual charge rate per ERU for a particular user. ERU is the average amount of wastewater discharged by a single-family dwelling, which has been determined to be ninety thousand gallons per year. The proceeds from the surcharge will be used in support of the City's financial obligation as a member of the Clean Water Coalition.

**RECOMMENDATION:**

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
