Re: Bridger Avenue Apartments, Re-Zoning Submittal – Re-submittal to ZON-17740

Dear Ms. Wheeler:

After revising our plans taking into consideration your staff comments and the comments of the City Council we are resubmitting our request for re-zoning.

This letter serves as our Justification Letter on the above referenced submittal, as described herein:

RE-ZONING

This is a rehabilitation project from existing residential and vacant land to multi-family affordable rental units. The target market will be residents who work in the downtown area and seniors. Said residents will be able to live in close proximity of their workplace. This project will assist in the City of Las Vegas' goal to rejuvenate the downtown area. The proposed development consists of apartment units, and a two-story parking garage.

This project fits the General Plan use. We request your consideration for re-zoning of the site for a higher density residential use. If approved, it will allow for construction of a 100% affordable housing complex, similar in nature to the neighboring City Center Apartments, also owned by our company.

Based on the popularity of the City Center Apartments and virtually non-existing vacancy rates, we are convinced that a property of similar character next door will greatly contribute to the urban success of downtown Las Vegas by providing affordable housing to inner city dwellers.

Sincerely,

SDA Inc.,
