**Re: Bridger Avenue Apartments, Vacation of the Alley – Re-submittal to
VAR-17744**

Dear Ms. Wheeler:

After revising our plans taking into consideration your staff comments and the comments of the City Council we are resubmitting our request for a vacation of the alley.

This letter serves as our Justification Letter on the above referenced submittal, as described herein:

VACATION OF THE ALLEY

The geometry of the site calls for a cohesive development that would provide a continuous elevation along Bridger Avenue. We request vacation of the portion of the existing alley, which would otherwise divide our building in two, making our project not feasible.

To mitigate the alley requirements we provide enough space on our property, which we would like to dedicate to the new alley diverting its flow to 10th Street.

We believe such approach to this city block design will not only enhance the urban character of the area, but will also reduce the traffic impact on Bridger Avenue by eliminating the alley's current connection to Bridger Avenue and introducing its new connection to 10th Street.

Sincerely,
