Dear Doug:

The Board of County Commissioners, at its regular meeting of July 17, 2007, approved the attached interlocal agreement for the distribution of room tax collection fees. The proposed agreement was approved in the form that was provided to, and discussed with, you previously. The Board further directed me to forward the agreement to each of the affected parties so that it might be considered by your respective governing bodies.

As you may also be aware, at the July 17, 2007, meeting, the Board also introduced an ordinance which would amend County Code in a manner that would revise the relative distribution of room license fees between Clark County and the Las Vegas Convention and Visitors Authority. The ordinance amendment would essentially shift ten percent (10%) of the revenues currently contributed to the LVCVA to the County. The public hearing on the ordinance has been scheduled for August 21, 2007, at 10:00 a.m. However, should all the parties elect to act on, and approve, the interlocal agreement prior to that date, I intend to recommend that the Board take no further action on the proposed Code change.

We certainly recognize the sensitivity of this particular issue to each of the parties and greatly appreciate your willingness to continue to discuss this matter with us for the past eighteen months. Should you have any additional questions regarding the interlocal, please contact me.

Sincerely,

VIRGINIA VALENTINE
County Manager
