TO WHOM THIS MAY PERTAIN TO:

I Robert K. Stewart would like to submit this written request of Appeal to reconsider and review my work card application that was denied on 7-30-2007. For the past 5 years I have demonstrated Trustworthiness with Financial abilities and all tenant payment responsibilities. Recently my position has been promoted to Property Manager due to the fact that Marianne Carpenter (Owner) is no longer as capable because of her frailties that come along with becoming a senior citizen. I would please ask that my work card application be approved or at the very least reviewed.

Sincerely,
Robert K. Stewart
