ANALYSIS

This is the first extension of time request for the proposed project. The applicant has not made any further progress on the project in the form of obtaining building permits. There have not been any complaints or issues on the property since the original approval. The applicant is requesting additional time to allow the contractor time to apply for the required permits and move forward on the project.

The proposed project is for a conversion of an existing residence to an office. Several other properties in the area have already completed similar conversions and the proposed project remains compatible with the area. It is noted that there is a related Extension of Time (EOT-22834) that shall be heard concurrently with this item. Approval of this request is recommended with a one year extension.

FINDINGS

The proposed project remains compatible with the area. This Extension of Time request is deemed appropriate with a one year time limit. Approval of this request is recommended.
