Mr. Tom Burkart
City of Las Vegas
400 Stewart Ave. 2nd Floor, OBD
Las Vegas, NV 89101

Dear Tom:

Please accept this letter as our request to extend the entitlements on the properties described in the attached packets by one year.

The reason for this request is as follows:

We need additional time to incorporate the granted entitlements into the larger master plan that we are currently working with the City of Las Vegas that incorporates the properties attached.

Thank you for your consideration in this matter

In Appreciation,

David Mitchell
