**Planning and Development**

1. Conformance to the conditions for Site Development Plan Review (SDR-6503), and all other site related actions.
2. This Site Development Plan Review (SDR-6503) shall expire on July 6, 2008 unless another Extension of Time is approved.

**\*\* STAFF REPORT \*\***

**PROJECT DESCRIPTION**

This is a request for an Extension of Time of an approved Site Development Plan Review (SDR-6503) for a 25 story mixed use development to include 280 residential units and 20,000 square feet of commercial floor space and waivers of the downtown centennial plan building step-back and build-to requirements on 1.20 acres adjacent to the northwest corner of First Street and Bonneville Avenue.

This is the first extension of time request on the proposed project. The project remains appropriate for the area. A Special Use Permit and Federal Aviation Administration Approval for the height of the proposed structure prior to the issuance of a building permit shall be required. It is noted that there is a related Extension of Time (EOT-23029) that shall be heard concurrently with this request. Approval of this request is recommended with a one year time limit.

**ANALYSIS**

This is the first extension of time request on the proposed project. The applicant has not made progress on the project in the form of building permits or additional applications. The applicant states that they are in the process of creating a master plan for the area, of which the subject project is a part.

The project remains appropriate for the area. It is noted that the project is not currently in compliance with the requirements of the Airport Overlay District. The project is in the Airport Overlay District 200-foot zone. The project exceeds the 200-foot height limit and shall be required to obtain a Special Use Permit and Federal Aviation Administration Approval for the height of the proposed structure prior to the issuance of a building permit. It is noted that there is a related Extension of Time (EOT-23028) that shall be heard concurrently with this request. Approval of this request is recommended with a one year time limit.

## **FINDINGS**

The project remains appropriate for the area. A Special Use Permit and Federal Aviation Administration Approval for the height of the proposed structure prior to the issuance of a building permit shall be required. Approval of this request is recommended with a one year time limit.
