Request for an appeal in front of the Regular City Council meeting scheduled for August 15th, 2007.

Reason for the request is that at the Commissioners meeting of June 14th, 2007 Item number 55 **VAR-21621** was denied, thus I am requesting that the city council hear my appeal of the denial.

Again, I would like to have the appeal heard on the regularly scheduled meeting on August 15th, 2007. My phone number is 636-1221 and mailing address is as listed above. Thank you.

Request is being filed with the City Clerk, City of Las Vegas, 400 Stewart Avenue. 1st Floor at City Hall.
