RE: Justification for Site Development Review for property at 6965 O'Bannon Dr.

To Whom It May Concern:

Please accept this letter as the required justification for the project referenced above. The proposed site design conforms to all of the minimum requirements for an office building within the proposed O zone designation. The proposed offices contain a residential aspect in order to help facilitate the transition from Commercial space to residential space.

Thank you for your time and consideration in this matter. If you should have any questions or need any additional information, please do not hesitate to call me at your earliest convenience.

Sincerely,

Jim Childs, P.E.
