In Re: Petition Special Use Permit. At 5704 Alta Dr, APN 138-36-222-017

TO WHOM IT MAY CONCERN,

This is a letter supporting Annie and Dean Mallet's petition for a Special Use Permit to allow a change to a 7-12 child care license.

I have been their immediate next door neighbor (east side) for over nine and a half years. In the spring of 2003, they approached me about starting a child care facility in their home. Since they have the most respectful, best behaved children I have had the pleasure to know, I not only agreed, without any reservations at all, but instead encouraged them in their plans.

Since that time I have *very rarely* noticed the presence of additional children, even though I often work from home and their front door is directly adjacent to mine. There have been no additional traffic, parking or noise problems whatsoever.

Annie and Dean Mallet are extremely caring people; they are always helping several of their elderly neighbours. They have a special gift with children, as I have had the opportunity to observe on a regular basis. I don't believe I have ever heard them as much as raise their voices to their own children let alone those in their care.

Personally, I feel that they offer excellent care and attention to the children they currently watch and with the *extreme* lack of reliable child care in Las Vegas, granting them the opportunity to increase the children who could benefit from contact with them would be in the best interest of the community.

Please feel free to contact me for any further information or with any additional questions or forms. My contact information is below.

Sincerely,

Debra Maxwell Davies
