Dear Councilwoman Tarkanian:

This letter is being written on behalf of Shelley Jackson, who resides at 1247 Douglas Drive, Las Vegas, NV. I am writing to support Ms. Jackson's request under ROC-21911 to remove the condition previously placed on her property. Additionally, I would like to request that the City Council approve ROC-21911 without adding any new or additional conditions with respect to Ms. Jackson's property.

I have been a home owner across the street from Ms. Jackson, for the past 10 years, and have found her to be a fair and honest individual, who is of a quiet nature.

Inasmuch as I live across the street from her, I am forced to see her property every day, whenever I exit my home or go outside. Her property is always well kept and tended to, and is a pleasant reflection of my neighborhood.

There has never been a harsh word between us, and I feel completely comfortable with the fact that she is my neighbor.

Sincerely,
Darryl S. Miller
