**We believe for the following reasons it is inconsistent with the current

- 1. It may negatively affect property values,**

Will not be in attendance but please vote "no" for William C. & Valorie L. Potter.....We definitely do not need a hang out for kids so close to Parson's Elementary or for that matter, the neighborhood.
 Thanks..Bill Potter

Dear Mark,

Thanks for sending this out. I am going to try and attend tonight's meeting, however in the event I cannot, can you please use this response to you as a vote **against** the plans of Kathi Macdonald as you have stated on my behalf? I have been traveling back and forth from Virginia and am not sure if I will make it tonight. Thank you for all of your hard work on behalf of our neighborhood.

Fellow NARA Residents,

The Planning Commission will be hearing the following application this Thursday Aug 9, 07 at 6pm in City Council Chambers. This is the one that was to be heard July 26, but asked for an extension. Basically it is a request to change the zoning of a piece of property at 4309 Thom to allow it to go Limited Commercial and build a private indoor recreation center. We the NARA board have reviewed the plans and talked to representatives of the developer. We have discussed this and vote to oppose it. Our biggest concern is; developers are continually trying to hack away at the rural property. They can get it cheaper then get it rezoned and make a profit by reselling it. Or save money by not buying already zoned commercial property. If this is allowed to pass we have no guarantee that they will build what they claim. It will infringe further into our neighborhood and be less compatible with our way of life.

Please go to our NARA web site.

scroll down to "Contact Local Politicians" click on it, scroll down to Planning Commission Members and email them your letter of opposition.

You are welcome to copy and paste the letter below and send it in. Please express your opposition, let's stop the infiltration of developers into our way of life.

To Whom It May Concern:

I oppose the KATHI MACDONALD application SDR-2257, GPA-22560, and ZON-22562, which states the land use will change the current Desert Rural Density Residential zoning to SC (Service Commercial), C 1 Limited Commercial for a proposed Recreation/amusement facility (indoor).

I believe for the following reasons it is inconsistent with the current master plan guidelines and does not meet the standards set forth by Nevada State Law for such changes...

- 1. It may negatively affect property values,**
- 2. Increase traffic**
- 3. Increase noise**
- 4. Increase density**
- 5. Quality of life for surrounding residents**
- 6. It is not in harmony with the existing development.**
- 7. It is not in harmony with the existing Ordinance protecting Rural Preservation.**

Therefore is neither desirable nor necessary for this neighborhood.

I ask you to vote against it to help preserve our Rural Neighborhood

Thank you,
Sally D. Messick
