RE: Transit Element

Dear Mr. Rankin:

Please accept this letter as justification for a General Plan Amendment to adopt a Transit Element and amend the 2020 Master Plan.

As a component of the Master Plan, the Transit Element will satisfy NRS requirements and provide a comprehensive document that will assist with the long range planning efforts of public transit within the City of Las Vegas.

Please do not hesitate to contact me at 229-5409 if you have any questions.

Sincerely,
