**Life Insurance - RFP Summary**

Dear Steve:

An RFP was released on July 5, 2007, requesting bids from qualified insurance carriers for the employee group life insurance plan. The RFP was sent to 18 qualified carriers, which resulted in proposals being submitted by 6 carriers.

Following a complete analysis of the proposals submitted, Met Life was determined to be the best overall proposal for the employee / retiree group life insurance plan. Met Life's proposal matches the current benefits and offers substantial cost savings as compared to the current plan. Met Life was the only carrier who guaranteed rates for 4 years.

Based on the information described above, we would recommend the selection of Met Life for the employee group life insurance plan.

Please contact me with any questions.

Sincerely,

Tanna Prince  
Vice President
