

THIRD SUPPLEMENTAL INTERLOCAL CONTRACT
Arterial Restoration and Preservation Projects
Fiscal Year 2006

CONTRACT # 515c

THIS THIRD SUPPLEMENTAL INTERLOCAL CONTRACT, made and entered into this 19th day of September, 2007 by and between the CITY OF LAS VEGAS, a municipal corporation, hereinafter referred to as the "CITY" and the Regional Transportation Commission of Southern Nevada, hereinafter referred to as the "RTC".

WITNESSETH

WHEREAS, pursuant to Chapter 373 of the Nevada Revised States, the Regional Transportation Commission may approve and fund projects to improve streets or highways; and

WHEREAS, the CITY desires to improve streets and highways within the City in accordance with the improvements set forth herein, and hereinafter referred to as the "PROJECT"; and

WHEREAS, the facilities upon which improvements will be done are facilities eligible for RTC funding.

WHEREAS, the parties have executed an Interlocal Contract dated August 11, 2005, a Supplemental Interlocal Contract dated May 18, 2006 and a Second Supplemental Contract dated July 13, 2006 for the Arterial Restoration and Preservation Projects; and

WHEREAS, the CITY requests to decrease project funding and receive a revised Authorization to Proceed.

NOW, THEREFORE, in consideration of the covenants, conditions, agreements, and promises of the parties hereto, the RTC authorizes the CITY to proceed with the PROJECT as it is mutually understood and agrees as follows.

SECTION II – PROJECT COSTS will be revised to read as follows:

1. The total project cost for engineering design, contract administration, surveying, inspection, testing, utility relocation and construction shall not exceed \$4,729,000. Engineering design, contract administration, surveying, inspection, and testing shall not exceed twenty percent of the total project cost.
2. The City will be granted “Authorization to Proceed” for engineering and construction at a cost not to exceed \$4,729,000 at the time written Authorization to Proceed is received from the RTC. No funds shall be considered encumbered or allocated and no reimbursement shall be made for any portion of the Project until an “Authorization to Proceed” has been approved by the RTC.
3. A separate request for an “Authorization to Proceed” will be required for additional engineering and construction.

All other terms of the Interlocal Contract dated August 11, 2005 and Supplemental contracts dated May 18, 2006 and July 13, 2006 shall remain unchanged.
