**Letter of Appeal**

**Business Lic#B05-03047-3-133862**

It has been assumed that Tranquility Spa 2123 & 2125 Paradise Rd. has been operating as a massage establishment. **Tranquility Spa** at no time has provided massage services and does not claim or advertise to do so. The ad in CityLife was initiated under "mind, body & spirit". After reviewing the ad, Barbara McDonald from CityLife changed the heading with out notice, and was automatically put in the "massage" category The Tripsheet magazine it has advertised hand and foot massage (June 2007) Under the cosmetology license a licensed cosmetologist has the right to provide this service. After being advised by the state board we discontinued that ad. This is a spa that provides the following treatments;

Body Wraps  
Waxing (Hands,feet,eyebrows,lip)  
Hot stones  
Salt Glows  
Facials

At this time we are appealing the denial of the renewal of the business license for **Tranquility spa**  
**Thank you for for prompt attention,**
