ANALYSIS

This site is currently undeveloped. The Special Use Permit request is a requirement in Title 19 for hotel use in a C-PB (Planned Business Park) Zoning District. The applicant proposes to develop a four story, 126 room hotel in the center of the site. Per Title 19, a 70,885 square foot hotel requires 127 parking spaces. A total of 128 spaces are provided in the parking lot located around the motel, including five handicap accessible parking spaces.

The proposed site gains access from an existing adjacent hotel to the south of the parcel which they have a cross access agreement. On the adjacent property, an access road leads to North Tenaya Way, an 80 foot Secondary Collector as designated in the Master Plan of Streets and Highways.

FINDINGS

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The project is consistent with the Light Industrial/Research category policies of the General Plan and the zoning regulations of the C-PB (Planned Business Park) Zoning District.

- 2. The subject site is physically suitable for the type and intensity of land use proposed.**

The subject site is physically suitable for a Hotel. The use conforms to the type of uses and intensity desired in the C-PB (Planned Business Park) Zoning District.

- 3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

The proposed use will not adversely impact streets in the vicinity of this site.

- 4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

The proposed development will be subject to regular inspections for permitting and licensing and will therefore, not compromise the public health, safety, and welfare.
