**** STAFF REPORT ****

PROJECT DESCRIPTION

The project is a request for a Special Use Permit for a proposed 294 square foot massage establishment located within an existing day spa with a Waiver of the 400-foot distance separation to allow a 336 foot distance from residential property and a 227 foot distance from a religious use.

The applicant currently operates a Massage Establishment Accessory within one room of an existing Day Spa establishment. The project proposes to add two additional rooms for a total of three rooms. Other than the requested Waivers of the distance separation requirements, the project will generally conform with Title 19.04 Special Use Permit requirements. Staff recommendation is for approval.

ANALYSIS

The applicant currently operates an Accessory Massage Establishment (99 square feet) under Business License No. M11-93852-6-13439, within an existing day spa establishment. The current operation is permitted by right under Title 19.04. Massage Establishments greater than 150 square feet are allowed with a Special Use Permit. The project proposes to expand the massage business to allow for the operation of two additional massage rooms for a total of three rooms comprising 294 square feet. The project requests a Waiver of the 400 foot distance separation requirement to allow the Massage Establishment to operate near an existing religious use and existing residential use.

FINDINGS

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed Massage Establishment is a permitted use under the C-2 (General Commercial) Zone consistent with the Service Commercial land use designation. The proposed use is compatible with neighboring land uses as the project parcel is completely surrounded by commercial development and/or commercial designated land.

- 2. The subject site is physically suitable for the type and intensity of land use proposed.**

No new development will occur with the project.

- 3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

Streets and roads and provide adequate access to the subject site. Vehicular trips generated with the proposed use will be insignificant.

4. **Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

The proposed use will be subject to regular inspection and can be conducted without adversely affecting human health and public safety and the intent of the General Plan.

5. **The use meets all of the applicable conditions per Title 19.04.**

Beyond the requested Waivers of the distance separation requirements, the proposed Massage Establishment will conform to Title 19.04 Special Use Conditions.
