Minutes:
 TED RUSSELL, Las Vegas resident, stated that during a County Commission meeting COMMISSIONER CHRIS CANTICHIGLIANI suggested providing backup documentation for the public at the entrance of the meeting chambers. He suggested the same be provided for City Council meetings.

COUNCILWOMAN TARKANIAN asked CHRIS KNIGHT, Director of Administrative Services, to look into MR. RUSSELL'S suggestion by providing an additional set of Blue Books for the public. MR. KNIGHT stated he would look into it, in terms of costs, and would inform the City Manager of the request. However, he pointed out that backup for any City Council agenda item is available at the City Clerk's Office. COUNCILMAN BARLOW added that the information is also available on the City's website. COUNCILWOMAN TARKANIAN remarked that some people do not have Internet access, but the cost and advantages will have to be considered.
