Dear Mr. White:

Subject: Alexander & Hualapai Complex

I am writing this letter to the Advisory Commission to express my support of naming the incredibly beautiful new complex located at Alexander & Hualapai **"Majestic Park"**.

Nevada ASA and Northwest Girls Softball League will be the primary user group for this facility and we were the parties that submitted this name for consideration. I would like to add that the idea for this name arose one afternoon as I stood at the entrance of this complex and then walked through it. I was so overwhelmed by its appearance. I came home and looked up Majestic in the dictionary and discovered this:

Majestic:

1. Impressive
Greatly impressive in appearance
2. Dignified
Showing great dignity and grandeur

Synonyms: regal, royal, grand, stately, imposing, grandiose, magnificent, splendid, resplendent, superb, august, impressive

I truly believe that this is a perfect description of this complex and its name should reflex it.

I would also like to say "THANK YOU" to the City of Las Vegas and City Councilman Larry Brown for the magnificent gift you have given to the Girl's Softball Program of Las Vegas, Nevada.

Respectfully,

Sally Commerford
