PURPOSE/BACKGROUND:

This bill will authorize the recordation of notices of zoning action advising property owners and others of the existence of zoning conditions, requirements and limitations. Many times such items are difficult to enforce because subsequent owners and occupants are unaware of their existence, and recordation of these notices will remedy that situation. The bill will also add to the zoning regulations a specific mechanism for the review of conditions that have been imposed in connection with zoning approvals.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
