PURPOSE/BACKGROUND:

This bill will amend the regulations pertaining to animal-drawn vehicles to eliminate the requirement that vehicles be equipped with seat belts and the requirement for certification that animals used in the business be acclimated to street noises. Requiring compliance with these requirements has been shown to be unrealistic. Eliminating these requirements from the Code will not preclude the City, in appropriate cases, from requiring compliance with these or similar requirements by means of a licensing condition.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
