**PLANNING COMMISSION MEETING OF: NOVEMBER 8, 2007**

JESSICA AND MATTHEW LANE, 216 South 7th Street, appeared on behalf of the applicant. Using the overhead, MS. LANE displayed photos of the proposed accessory structure and stated that the setback reduction was requested due to the limited backyard area. She noted that they intend to keep the project in line with Summerlin requirements and had received prior approval from the Summerlin provided a building permit is obtained.

CHAIRMAN DAVENPORT questioned whether the rear of the property backs up to the street. MS. LANE confirmed that both the rear and the side back up to the street.

COMMISSIONER TROWBRIDGE stated he is very familiar with the subdivision. He acknowledged that the plans and drawings meet the Summerlin requirements as well as the Homeowners Association guidelines and moved to approve the application.

CHAIRMAN DAVENPORT declared the Public Hearing closed.
