PLANNING COMMISSION MEETING OF: NOVEMBER 8, 2007

CHAIRMAN DAVENPORT declared the Public Hearing open.

ANDY REED, Planning and Development Department, stated that the application is compatible with other multi-family uses in the area and recommended approval.

ERNEST FREGGIARO, 588 Coachman Circle, MELANI SCHULTE, 7201 West Lake Mead, and JEFF SCHERRA, 5650 DTC Parkway, commented on the design aspects of the project and requested approval.

CHAIRMAN DAVENPORT asked for clarification of the ingress/egress locations and COMMISSIONER STEINMAN asked whether the residents would have access to kitchen facilities. MR. SCHERRA replied that each unit would have a kitchen and noted that several dining venues would also be available.

MS. SCHULTE explained that the price structure for the full service units would range from \$2800-\$4500, which includes all utilities, transportation, and all services for the seniors.

MARGO WHEELER, Director of the Planning and Development Department, proposed an additional condition to ensure the development met the standards of Senior Citizen Apartments as regulated by the Zoning Code.

CHAIRMAN DAVENPORT declared the Public Hearing closed.
