**ANALYSIS**

- **Zoning**

The subject site on which the use will be located is zoned C-1 (Limited Commercial). This district allows for most retail shopping and personal services. A Packaged Liquor Off-Sale is permitted in the C-1 (Limited Commercial) District with approval of a Special Use Permit.

The site is within the McCarran International Airport Overlay Map portion of the A-O (Airport Overlay) District. The existing structure is below the height limitation of 175 feet and is in compliance with Title 19.06.080.

Parking is adequately provided by an existing Shopping Center. The addition of a Packaged Liquor Off-Sale Establishment requires no additional parking requirements beyond what is required by the principal use. This shopping center provides more than the required parking spaces.

- **Use**

A Package Liquor Off-Sale Establishment is defined by Title 19 as an establishment whose license to sell alcoholic beverages authorizes their sale to consumers only and not for resale, in original sealed or corked containers, for consumption off the premises where the same are sold.

The subject use is to be located within an existing 49,000 square foot Shopping Center at 2600 West Sahara Avenue. The proposed Package Liquor Off-Sale Establishment will be located within this shopping center in Suites #103 and 104. This location has no protected uses within the required 400 foot distance separation and satisfies all of the minimum conditions required for a Package Liquor Off-Sale Establishment.

**December 20, 2007 - Planning Commission Meeting**

- **Conditions**

Per Title 19.04.010, the following are minimum Special Use Permit requirements of a Packaged Liquor Off-Sale Establishment use. An asterisk (\*) indicates that a requirement cannot be waived.

- \*2. Except as otherwise provided in Requirement 3 below, the distances referred to in Requirement 1 shall be determined with reference to shortest distance between two property lines, one being the property line of the proposed establishment which is closest to the existing use to which the measurement pertains, and the other being the property line of that existing use which is closest to the proposed establishment. The distance shall be measured in a straight line without regard to intervening obstacles. For purposes of measurement, the term property line refers to property lines of fee interest parcels and does not include the property line of:

  - b) Any parcel which lacks access to a public street or has no area for on-site parking and which has been created so as to avoid the distance limitation described in Requirement.
- \*3. In the case of an establishment proposed to be located on a parcel of at least 80 acres in size, the minimum distances referred to in Requirement 1 shall be measured in a straight line:
  - a) From the nearest property line of the existing use to the nearest portion of the structure in which the establishment will be located, without regard to intervening obstacles; or
  - b) In the case of a proposed establishment which will be located within a shopping center or other multiple-tenant structure, from the nearest property line of the existing use to the nearest property line of a leasehold or occupancy parcel in which the establishment will be located, without regard to intervening obstacles.
4. The minimum distance requirements in Requirement 1 do not apply to:
  - a) An establishment which has a non-restricted gaming license in connection with a hotel having 200 or more guest rooms on or before July 1, 1992 or in connection with a resort hotel having in excess of 200 guest rooms after July 1, 1992; or
  - b) A proposed establishment having more than 50,000 square feet of retail floor space.
- \*5. All businesses which sell alcoholic beverages shall conform to the provisions of LVMC Chapter 6.5
