Minutes:

No motion required. A presentation was made.

MAYOR GOODMAN called forward HARRY HAUGSNESS, Director of Field Operations, and recognized CHRIS FINBERG, Construction Management Coordinator, as Employee of the Month for October 2007. MR. FINBERG was selected for participating in the initiation and implementation of a preventative maintenance program for residential roadways. The program was so successful that it reduced costs by 75 percent over historical approaches and was subsequently expanded to include major roadways, and will include sidewalks and City-owned parking lots in the future.

MR. FINBERG'S expertise assisted the City in preparing for the inaugural Las Vegas Grand Prix in spring of 2007. He was able to provide critical support to meet the schedule requirements, with significant cost savings.

MR. HAUGSNESS praised the efforts of MR. FINBERG, who has done an outstanding job of getting the most for the City's money. The Las Vegas Grand Prix would not have happened had it not been for MR. FINBERG. He is a great team member.

MR. FINBERG expressed his sincere gratitude.
