**Scope of Work**

**Project Name:** Las Vegas Wash Neighborhood Park and Trailhead  
**Project Number:** CL-UP-07048

**Grantor:** Nevada Division of State Lands  
**Grantee:** City of Las Vegas

The purpose of the project is to acquire a 4.61 acre property adjacent to the Las Vegas Wash Trail as a neighborhood park and trailhead recreational amenity. The property is one of three acquisitions that link the trail, creating a recreational corridor and neighborhood park system along the Wash in an area that is underserved by parks and recreation facilities. The property is located near North Lamb Blvd and East Washington Ave, Las Vegas, NV, APN 140-29-212-006.

For a detailed description of the property, the conservation values protected, and the property rights granted and retained, see Attachments E, F, and G below.
