To The City of Las Vegas Planning and Development Center:

Please grant us a special use permit to run a bail bonds company out of 121 Gass Ave. This site will be used for conducting usual office and business activities associated with a bail bonds. We will hold all files in this location, we will be taking phone calls and meeting with prospective clients and current clients and associates, we will be processing bail bond transactions (taking collateral, money for bond, etc.).

There are several bail bonds in the surrounding area and this site was also granted a special use permit in the past. Thank you for your consideration.

Sincerely,

Mary Free
