Re: Charles Fitzgerald reappointment
Animal Advisory Committee

On September 24, 2007 I spoke with Mr. Charles Fitzgerald, who expressed a desire to serve another term as a member of the City of Las Vegas Animal Advisory Committee. Mr. Fitzgerald has a 100% attendance record since first being appointed to the Animal Advisory Committee in December 3, 2003.

Mr. Fitzgerald's willingness to serve on this committee has been an asset to the citizens and their pets, I gladly recommend his reappointment.

Floyd Womble
Animal Control Supervisor
