PURPOSE/BACKGROUND:

Special use permit (SUP) applications currently require final action by the City Council. This bill, the essence of which was originally proposed in 2004, is intended to reduce the SUP caseload of the Council by providing that Planning Commission action on most SUP applications is final. Planning Commission decisions on SUPs will continue to be appealable to the Council, and members of the Council may request review of Planning Commission decisions. The bill will also incorporate State law requirements concerning zoning-related hearings and appeals.

RECOMMENDATION:

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
