obtain their communication and merit badges.

MAYOR PRO TEM REESE declared the Public Hearing open for Items 125-127.

RICHARD MORENO, 300 South Fourth Street, appeared on behalf of the applicant and thanked COUNCILWOMAN TARKANIAN for her help. He indicated that the owner, DAVE WILDEN, was present.

COUNCILWOMAN TARKANIAN noted the lot is extremely narrow. Most protests are from people who are four streets away and much has been done to alleviate most of the car wash noise.

MARGO WHEELER, Director of Planning and Development Department, recommended two additional conditions on Item 126 regarding the hours of operation and an administrative one-year review. She read a replacement for Condition 4 on Item 127, two additional conditions regarding a waiver of the side yard landscaping and two additional conditions pertaining to the car wash roof and the doors to be closed at all times when not in operation.

COUNCILWOMAN TARKANIAN verified with MS. WHEELER that the landscaping will be very lush and mature. MS. WHEELER added that it would be the full eight feet, and landscape material shall be submitted to the Planning and Development staff for approval.

MR. MORENO requested that the hours of operation be extended to 3:00 p.m. during the summertime or dawn to dusk. COUNCILWOMAN TARKANIAN replied that she looked at two other car washes and the hours of operation were similar. MR. MORENO accepted the hours of operation as recommended by MS. WHEELER, as well as the amendments and other conditions.

The Councilwoman also verified with MS. WHEELER that the front landscaping exceeds Code standards and will be sufficient. At this time there are no issues with signage, but the applicant would have to go through staff at the appropriate time. The Councilwoman appreciated the applicant's time and efforts in working with staff. MR. MORENO also thanked MS. WHEELER and ASSISTANT CITY ATTORNEY BRYAN SCOTT for their efforts.

MAYOR PRO TEM REESE declared the Public Hearing closed for Items 125-127.
