**\*\* STAFF REPORT \*\***

**APPLICATION REQUEST**

**A) *Action Requested***

This is a request for a Special Use Permit for a proposed Service Station adjacent to the southwest corner of Oso Blanca Road and Kyle Canyon Road.

**B) *Applicants Justification***

The applicant states that the benefits of this project are in line with the goals, objectives, and policies of the Centennial Hills Sector Plans goals and objectives. The applicant notes that the proposed use can be operated in a manner that is harmonious and compatible with the surrounding area.

**BACKGROUND INFORMATION**

**A) *Related Actions***

There is no property history related to this site.

11/17/05      The Planning Commission voted 6-1 to recommend APPROVAL (PC Agenda Item #39/ng).

**B) *Pre-Application Meeting***

09/23/05      A pre application meeting was held where it was noted that there would be a future conflict with the northern beltway, the applicant would be responsible for off-site improvements and the elements of the Site Plan and associated applications were discussed.

**C) *Neighborhood Meetings***

A neighborhood meeting is not required, nor was one held.

 West: U (Undeveloped) [PCD (Planned Community Development) General Plan Designation]

**E) *General Plan Compliance***

The subject property is designated as SC (Service Commercial) under the Centennial Hills Sector Plan of the General Plan. The Service Commercial category allows low to medium intensity retail, office, or other commercial uses that serve primarily local area patrons and do not include more intense general commercial characteristics. This category also includes offices either individually or grouped as office centers with professional and business services. This category includes the neighborhood and Village Center concept areas. The subject property is located in a Village Center concept area per the Centennial Hills Sector Concept Land Use Map. The property was annexed into the City of Las Vegas from Clark County in 2005. The Clark County land use designation was Service Commercial and per the Interlocal Agreement the subject properties land use remained Service Commercial as it had been with Clark County. This Special Use Permit conforms to applicable General Plan Policies and the regulations of the C-1 (Limited Commercial) District.

The proposed Service Station is in compliance with all standards.

**B) General Analysis and Discussion**

•Zoning

There is a related request for Rezoning (ZON-9662) to go from U (Undeveloped) [SC (Service Commercial) General Plan Designation] to C-1 (Limited Commercial) with this Special Use Permit request. The proposed use as a Service Station would be allowed with the approval of the Rezoning request and would be subject to the conditions of approval of the Rezoning.

•Use

The proposed use as a Service Station is permitted in the proposed C-1 zoning district with the approval of a special use permit. The Service Station use is subject to the following provisions.

All activities and operations shall be conducted entirely within an enclosed structure, except as follows:

- The dispensing of petroleum products, water and air from pump islands.
- The provision of emergency service of a minor nature.
- The sale of items via vending machines which shall be located next to the main structure.
- Pump islands shall be located a minimum of 20 feet from a street right-of-way line. A canopy or roof structure over a pump island may be located no closer than 10 feet from the street right-of-way line.
- No vehicle shall be parked on the premises for the purpose of offering the vehicle for sale.
- No used or discarded automotive parts or equipment or disabled, junked, or wrecked vehicles shall be located in any open area outside the main structure.
- Noise from bells or loudspeakers shall not be audible beyond the property line at any time.
- The installation of LPG tanks shall only be permitted as allowed in Section 19.04.060 (B).

•Conditions

There are no special conditions of approval associated with this application.

## FINDINGS

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The surrounding land is currently undeveloped. The property is located near an interchange and has been designated as a Village Center on the Centennial Hills Sector Concept Land Use Map. The majority of the properties near the interchange are designated for commercial uses. The proposed use, as a Service Station and Liquor Establishment (Tavern) would be compatible with future surrounding land use and development.

**2. The subject site is physically suitable for the type and intensity of land use proposed.**

The subject property is currently undeveloped. The site is 2.48 acres and has adequate size and access to provide for the proposed uses.

**3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.**

The proposed development will be located on the corner of Kyle Canyon and Oso Blanca. This location is just west of the intersection of Kyle Canyon and US 95. These roads will provide adequate access to and from the proposed development.

**4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.**

The site would be subject to frequent inspections and would not compromise public health or safety.
