ANALYSIS

The proposed liquor use is subject to the Special Use Permit requirements of Title 19.04 with regard to a minimum 400 foot distance separation from child care centers. A Business License (N16-0062) was approved by the Child Care Licensing Board on September 12, 2007 to allow operation of a preschool located at 2301 West Charleston Boulevard directly west of the project site. However, because this Special Use application was received by the Planning and Development Department on August 24, 2007, a Waiver of the separation requirements is not required.

FINDINGS

The following findings must be made for a Special Use Permit:

- 1. The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.**

The proposed Beer/Wine/Cooler Off-sale use can be operated to be compatible with existing adjacent residential, commercial, and office uses and future uses as programmed in accordance with the General Plan.

2. The subject site is physically suitable for the type and intensity of land use proposed.

The proposed alcohol use will be operated within an existing service station convenience store with existing on-site parking.

3. Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.

The capacity of existing streets and roads along West Charleston Boulevard and Rancho Drive will be able to accommodate any new traffic associated with the proposed use.

4. Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.

The proposed use will be subject to regular inspection and as such will not result in detrimental effects to human health and public safety.

5. The use meets all of the applicable conditions per Title 19.04.

The use conforms with Title 19.04 Special Use Requirements for Beer/Wine/Cooler Off-sale establishment.
