Please discuss your qualifications to serve on any boards, commissions, or committees.

I am a professional with excellent organizational and decision making skills. I consistently juggle multiple projects at work as well as handle multiple tasks for the business that my husband and I own.

I have organized and administered an event for Child Focus and their Sibling Preservation program for the last two years.

I was a foster parent through the State of Nevada and I know the requirements of a safe environment for a child as dictated by law.
