TO WHOM IT MAY CONCERN

Dear Neighbor,

The Lopez family is proposing to build a 36 foot wide by 60 foot long by 18 foot 6 inches tall metal building in our back yard. This building would be used for the storage of our recreational vehicles, other personal vehicles and personal property. The building will be shorter than our existing house and of a typical color of our house. .

We have been required to get a variance from the City of Las Vegas because the square footage of the building is greater than 50% of the size of our living area. It complies to all other building codes and ordinances.

We would like your signature on this letter to acknowledge you have been informed of the impending project and have no objection to it being built in the neighborhood.
