

Kid Around

6338 W. Sahara Ave. Las Vegas NV. 89146

To whom it may concern:

I am writing to request that Kid Around be considered for a privilege license to become a secondhand dealer. I am the sole owner and operator of Kid Around which would be a children's clothing store selling & buying new and gently used clothing including toys, strollers, books and all other items pertaining to children including new items which would be about 30% of stocked items. I currently have committed to a store 6338 W. Sahara Ave. about 1200 sq' which I am currently decorating and will be ready to open upon approval. I have taken no loans for this project nor do I plan to borrow any funds. I understand this is a privileged license and in no way would I ever abuse this privilege nor take it for granted I understand all the Laws & codes that need to be followed. Kid Around would be a huge asset to our community providing affordable good clothing for our children including many other items I also have decided to set aside some items for families who just can't afford anything. I know this will be very successful business.

Sincerely,

Olena Golosna " Kid Around"
