Re: World Jewelry Center
Tentative Map Case Number TMP-25738

Dear Robert:

The City Council approvals for the World Jewelry Center Entitlements, Case numbers SDR-25059 and SUP-25060, have been postponed from January 2, 2008 to January 9, 2008. Per the CLV Planning Department, the Tentative Map can not be heard sooner than two weeks following the SDR and SUP approvals.

Based on the above, Heritage Nevada VIII, LLC is in agreement with postponing the Planning Commission Hearing for the World Jewelry Center Tentative Map Case # TMP-25738, from January 10, 2008 to January 24, 2008.

With kind regards,

Carla C. Romero
Project Director, Development and Construction
