Re: SUP-24305 – 8414 Farm Road

Mr. Swanton,
On Behalf of Global Tower Partners please consider this letter as a formal request to withdraw application SUP-24305 which proposed to locate a stealth designed monopalm at 8414 Farm Road. This project is currently scheduled to be heard before the January 10, 2008 Planning Commission.

At the recommendation and in consideration of Ward 6 and neighborhood comments we are exploring 7705 N. El Capitan Way slated for commercial development, as an alternative candidate for such an installation.

As always, we appreciate the opportunity to work with staff, the council offices and the community to development well intended and thoughtful projects. Should you have any questions or comments, please do not hesitate to call me at 760.587.3003.

Sincere Regards,

Kerrigan Diehl
