**Subject: Request for Abeyance – SDR 25253**

Dear Mr. Reed,

Please be advised that Mr. Michael Bradanini is no longer on staff at the International Church of Las Vegas. I will be serving as the church's representative in this matter. We hereby request an abeyance of this item to the Jan. 24, 2008 Planning Commission meeting. The church is continuing to formulating a plan to respond to the various concerns of the Planning and Land Development Department related to this SDR. There are multiple issues to consider and due to scheduling conflicts, the appropriate parties were unavailable to meet to finish discussions regarding this matter.

We are scheduling a meeting for next week with Planning staff and also with church to finalize the plan for this site.

Thank You

Ron Portaro
