I approve of her childcare expansion and think it would be beneficiary to the working parents that live in this neighborhood.

TO WHOM IT MAY CONCERN,

This is a letter supporting Annie and Dean Mallet's petition for a Special Use Permit / Zoning Variance to allow a change from a 1-6 to a 7-12 children child care license. Especially because the increase is needed to accomadate additional younger siblings of children currently in her care.)

I have been their immediate next door neighbor (east side) for over nine and a half years. In the spring of 2003, they approached me about starting a child care facility in their home. Since they have the most respectful, best behaved children I have had the pleasure to know, I not only agreed, without any reservations at all, but instead encouraged them in their plans.

Since that time I have *very rarely* even noticed the presence of additional children, even though I often work from home and their front door is directly adjacent to mine. There has been no noticeable additional traffic, parking or noise problems whatsoever.

Annie and Dean Mallet are extremely caring people; they regularly help several of our elderly neighbours. (They have also helped me during various illnesses) They have a special gift with children, as I have had the opportunity to observe on a regular basis. . I don't believe I have ever heard them as much as raise their voices to their own children let alone those in their care.

Personally, I feel that they offer excellent care and attention to the children they currently care for and with the *extreme* lack of reliable, quality child care in Las Vegas, granting them the opportunity to increase the children who could benefit from contact with them would be in the best interest of the community.

Please feel free to contact me for any further information or with any additional questions or forms. My contact information is below.

Sincerely,

Debra Maxwell Davies

We have lived next door to the Mallets since September of 1997. We are in total support of the special use permit that they are requesting for increasing their small daycare service. Ann has cared for children in her home since 2003. We have never had any issues of parking, or traffic problems of any kind, from her daycare parents during pick-ups or drop-offs

I received a notice on behalf of Ann Mallett, concerning her enlarging her child care to a family group home care to over 12 children. I have known Ann for several years and at one time I took care of two of her sweet children, when I was in day care myself. I feel this would be an asset to the area. She has good control of her children she takes care of. I approve of this matter.

I have known Annie Mallet for more than 15 years. I have had the pleasure to witness her working with children in many circumstances. I find her to be very capable when dealing with their individual needs as well as their parents.

Mrs. Mallet has a small child care in her home already and I feel that expanding her child care would be a great asset to more families in the neighborhood. She provides a loving and caring environment for parents that need to leave their children but still want them close to home.

Re: SUP - 23864

I am writing to ask that you please grant Anne Mallet a special use permit for her daycare, where both of my children attend every day. Miss Annie and her family are the most caring, loving family I have ever met, and I am thankful every day knowing that my children are safe, loved, and being cared for properly.

Miss Annie has cared for my 3 1/2 year old son since he was 6 months old, as well as my 5 month old daughter since she was 7 weeks. It is so important to have quality childcare, and unfortunately, it is a rarity. There are so many things to worry about regarding our children nowadays, that I could not imagine sending my children to anyone else but her.

Miss Annie is very accommodating to her families, and I have never in three years had an issue with anything regarding her location, parking, etc. I do not feel that an expansion would pose any issues. If anything, it will give more families the opportunity to utilize her services, which is very positive.

I hope that you will recognize the importance of Miss Annie's position and grant her a permit. It will be beneficial to not only her, but the community as a whole and the families that she represents - including mine.

Thank you for your time,

To: The Las Vegas City Council,

Annie Mallet has been a staple of our small community. She lived here for 14 years and has nothing but praises for the Mallet household.

All 3 of my children have been in school with Mallet siblings ever since our children started Kindergarten together.

I pride myself in knowing that there is a safe place for the children of our neighborhood to be watched.

As you know, this is a rare commodity in this day and age. The trust and security of a neighborhood daycare is what helps a community thrive.

Please grant their request as a favor to our neighborhood and community. Miss Annie is a loving and wonderful woman whom I send blessings to everyday.

Thank you,

Dear City of Las Vegas,

In reference to SUP 23864, I would like to say I have known the Mallets for approximately 5 years. My daughter and I have come to love Miss Annie and her family. I live about 1/2 mile away. I pick up and drop off my daughter from their home on a daily basis. I would like to express my approval of them expanding their daycare. There has never been a concern to me about traffic in this area, pick up and drop for me is quick and simple.

Sincerely,

April Butterfield
